Leadership Public Speaking Empathy Time Management
Positive Attitude

EDUCATION

Vellore Institute of Technology, Chennai

July 2022 - Present

Bachelors of Technology CGPA 9.07

Specialization: Artificial Intelligence and Robotics

Sophia Sr. Sec. School

2020 - 2022

Intermediate 92 percent

Matriculation: 96.2 percent

ACCOMPLISHMENTS

WE Cohort 5: By Google

2022 - Present

From among 22,000 hopefuls, I emerged triumphant as one of the esteemed top 200, joining the luminous WE Cohort 5, generously supported by Google.

Deputy Head Girl

High School

2021 - 2022

I had the great privilege of being the Deputy Head Girl at my school, where I was responsible for supporting and guiding my fellow students on their academic and personal journeys.

PROJECTS

OS Algorithm Simulator

GitHub: GitHub

Interactive platform for visualizing CPU scheduling algorithms like FCFS, SJF, RR, SRTF, and Priority. Users input data and observe real-time scheduling process.

Tech stacks: JavaScript, HTML, CSS, Python, Flask

FinTrack

GitLab: [GitLab]

FinTrack is a user-friendly app revolutionizing personal finance management. Track expenses, meet financial goals, and organize bill payments with ease.

Tech Stacks: - Python - PostgreSQL - Tesseract OCR - Flutter - Flask - Firebase

CERTIFICATIONS

Machine Learning with Python

Issuing Organization: IBM

Date of completion : 7th March 2024

Link: [Coursera]

CLUBS AND CHAPTERS

Women Engineering Program-Supported By Google

March 2023 - Present

WE, a 24-month immersive online program by TalentSprint, backed by Google, empowers and mentors talented first-year women engineering students to excel as world-class software engineers.

Google Developer Student Club(GDSC)

July 2023 - Present

We are community groups for students interested in Google technologies, fostering collaboration, skill development and projects. We host events, workshops, and provide resources to empower students in the tech community.

Fraternity of Young Innovators

July 2023 - Present

We bring together innovative and creative young minds, fostering collaboration and an entrepreneurial spirit through workshops and events. Our aim is to empower members to create, learn, and drive positive change for a brighter future.
